Not aware of a hearing on Thursday- I think it's an informal meeting with the House oversight majority staff. We discussed with Dave Evans et al this AM. Doesnt sound like a biggie. On the 20th I'll just

briefly (~5-6 min) lay out the context of this special case, our planned process on LA and Santa Cruz Rivers and general timeframe, as I did when I met with city staff last week.

Dave, in Jessica's absence this week, I've asked the congressional office to keep me in the loop regarding the hearing currently scheduled for thursday. Was that discussed on your call this morning? What testimony do you plan to give on the 20th?
